# THE GEOGRAPHY OF MONEY (PAPERBACK)

Cornell University Press, United States, 2000. Paperback. Condition: New. Language: English. Brand new Book. The traditional assumption holds that the territory of money coincides precisely with the political frontiers of each nation state: France has the franc, the United Kingdom has the pound, the United States has the dollar. But the disparity between that simple mental landscape and the actual organization of currency spaces has grown in recent years, as territorial boundaries of individual states limit currency circulation less and...
